Large Party Planner Guidelines

(Parties of 15-200 people)

-When making a private party reservation, a credit card number and a signature must be obtained to hold the reservation. We will email a Large Party Reservation Sheet, which will have all pertinent information, and we ask that you sign it and email it back to us for our records.

-A guaranteed minimum cover count will be **4 people less** than your final confirmed party size. In the event that not all of your guests attend the party, you will be charged the guarantee minimum cover count number.

-The “no show – no call” fee policy:

-We are very happy to take any large party reservations and will work to accommodate your needs as best as possible.

-In order to properly staff and set-up for large parties we will need to be as accurate as possible with the number of guests attending and the time they will be arriving.

-We require that any changes in the reservation guest count or time of arrival be brought to our attention at least 48 hours in advance.

-If a group does not show up on time or call with a time-change, all reservations will be held for 15 minutes after the scheduled time and then the tables will be broken up and the reservation will be lost. If there is a “No show” for a group of 12 or more, the credit card will be charged a fee of \$200.

-The reason we are going forth with this policy is that we want to be able to accommodate all of our large party guests as best as we can and set them up in an appropriate area of our restaurant for the number of people in your group.

-If there are any questions or concerns, do not hesitate to contact us.
